

Cruise on Lake Monteynard

Sail on an artificial lake

Lake Monteynard is a wide artificial lake of 20 km long. It is the paradise spot for water sports and nautical activities in the Dauphiné.

Discover the canyons of Drac and Ebron rivers, get close to the wild nature of the blank and unreachable shores and enjoy this calm and peaceful environment. You will be able to enjoy lunch on board during the cruise.
After the cruise, feel free to walk above the lake by two Himalayan bridges.
