

# POWERTECH 2013 GRENOBLE

Towards carbon free society through smarter grids

France, 16-20 June 2013

Organized by  
Grenoble Institute of Technology  
IEEE PES French Chapter

Sponsored by  
IEEE Power & Energy Society

## SPONSORSHIP

**PowerTech** is an international conference organized every odd year and brings together five to six hundred professionals and researchers in the field of smart grids and power networks.

The new session of this conference will be held in Grenoble at the World Trade Center from 16th to 20th of June 2013.

This conference will include plenary presentations, in oral sessions and poster sessions, technical visits and booths for exhibitors.

Your support to our conference will provide a fruitful exchange, making contact and meaningful encounters with the participants and between participants.

We ask you to become a sponsor of the conference and figure prominently in the equipment to participants. We also reserve the opportunity to be a sponsor by becoming prime sponsor «Gold» or «Silver» or funding one or more key events of the conference.

### Silver Sponsor

- One full registration to the conference
- Name and logo of your compagny on the communication supports of the conference (link to your web web site on the conference web site, on the program, the flyers, the emails)

Details of services available for silver sponsors :

**Program** Your name or logo on the front page of the Conference program **3500€**

**Goodies** Your name or logo on goodies given to the participants **3000€**

**PowerTech bag** Your name or logo on the conference bag given to each participants **3500€**

**USB** Your name or logo on the USB Key given to every participants **3000€**

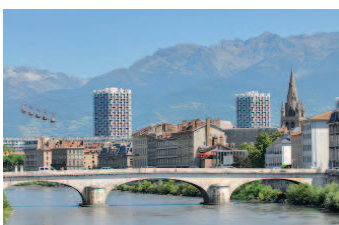

### Gold Sponsor

- Name and logo of your compagny displayed on conference signage in multiple locations
- Two full registrations to the conference
- Name and logo of your compagny on the communication supports of the conference (link to your web web site on the conference web site, on the program, the flyers, the emails)
- 5% discount on exhibition stand
- Your company brochure and information on a table in a prime location during the confere-  
rence (it will not be possible to man this table)

Detail of services available for gold sponsors :

**Breaks** Sponsorship of breaks ( presentation of your compagny on screens, your name or logo on the tables of the breaks) **7500 €**

**Lunch** Sponsorship of the lunches ( presentation of your compagny on screens, your name or logo on the tables of the breaks) **7500 €**

## International Steering Committee

- **Chair :** N. Voropai, Russia  
C. Vournas, Greece
- **Vice-Chair :** M. Eremia, Romania  
B. Don Russell, USA  
J.P. Lopes, Portugal
- **Past-Chair :** G. Doorman, Norway  
Carlo Alberto Nucci, Italy
- **Members:** - **Ex-officio member :** P. Ryan, USA  
H.B. Püttgen, Switzerland  
B. Meyer, France  
N. Hatzigiorgiou, Greece

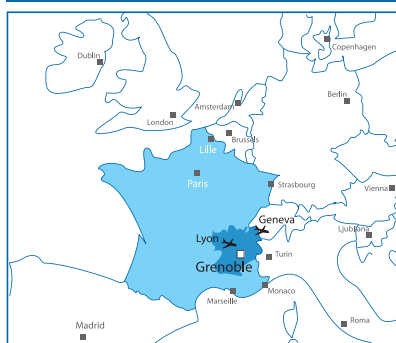

## International Advisory Committee

- A. Allais, France
- G. Andersson, Switzerland
- G. Ault, United Kingdom
- Y. Baghzouz, USA
- A. Bakirtzis, Greece
- B. Bak-Jensen, Denmark
- M. Baran, USA
- L.A. Barroso, Brazil
- M. Begovic, USA
- R. Belhomme, France
- R. Belmans, Belgium
- T. Bi, China
- J. Bialek, United Kingdom
- A. Bretas, Brazil
- V. Centeno, USA
- R. Cherkaoui, Switzerland
- I. Etxebarria, Spain
- J.F. Faugeras, France
- L. Goel, Singapore
- A. Gomez-Exposito, Spain
- G. Gross, USA
- R. Gustavsson, Sweden
- N. Hatzigiorgiou, Greece
- S. Henry, France
- O. Huet, France
- R. Kamphuis, The Netherlands
- W. Kling, The Netherlands
- C.C. Liu, USA
- M. Mammeri, France
- J. Martinez Velasco, Spain
- S. Massuco, Italy
- J.C. Maun, Belgium
- R. Milanovic, UK
- J. Mihalic, Slovenija
- F. Milano, Spain
- L. Mili, USA
- A. Miraoui, Marocco
- K. Miu, USA
- A. Monti, Germany
- R. Napoli, Italy
- J.R. Nicolas, France
- L. Nordström, Sweden
- A. Ozdemir, Turkey
- J.C. Passelergue, France
- A. Phadke, USA
- F. Pilo, Italy
- D.D. Rasolomampionona, Poland
- C. Rehtanz, Germany
- S. Rios, Chile
- M. Rios Mesias, Colombia
- P. Rodriguez, Spain
- M. Shahidehpour, USA
- D. Souque, France
- T. Sousa, Brazil
- M. Stifter, Austria
- K. Strunz, Germany
- Z. Styczynski, Germany
- L. Toma, Romania
- F. Wu, China

## Preferred Topics

The conference welcomes papers on the following main topics:

- Advanced technologies for SmartGrids**
- Central generation challenges**
- Renewable energy and storage for power grids challenges**
- Electrical Vehicles (EV) integration challenges**
- Smartgrids and T&D issues**
- New opportunities in Energy Management**
- ICT and Power Systems**
- Innovative modelling and Optimisation tools for Smart Grids**
- Market, regulation and standardisation issues**

2 International airports: Lyon St Exupery and Geneva-Cointrin  
130 flights to and from Europe and the rest of the world

## Important dates

- 15 October 2012**  
Extended abstracts submission
- 10 December 2012**  
Notification of acceptance of extended abstracts
- 15 February 2013**  
Full papers submission
- 15 March 2013**  
Final acceptance of full papers
